If you are a constituent of any of these Senators, we request your assistance with enlisting their support as the Senate author of a companion bill to HB 40. Even if you live away from Austin, you can be of assistance in protecting health freedom for all Texans. We can work with you in your home town, while we do the lobbying for you in Austin. If you are willing to help, please contact our HB 40 grassroots coordinator Gwen Johnson at gjangel@sbcglobal.net with name and daytime phone.

Thank you!
